

HearForm10

Office Management Software

HearForm **Pricing** is as follows...

\$4845.00 – HearForm 10 – Includes up to three licensed copies of FileMaker Pro 11. FileMaker is the database engine that runs HearForm and allows computers to network to the host.

These payment options are available ...

- \$4685 (a \$200 cash discount.)
- \$1995 deposit and \$190 per month until the balance is paid.

(Please ask about special pricing for Additional Offices.)

\$150.00 – FileMaker Pro 11 (Retail price is \$299.00) – Price is for each additional license beyond the three licenses included with HearForm10.

\$595.00 – FileMaker Server 11 (Retail price is \$999.00)– Required when there is a need for more than nine concurrent connections to HearForm. (Server allows up to 999 licensed connections.)

\$200.00 to \$500.00 – Data Conversion Fee from your previous database – Fee depends upon complexity of the database converted. QuickBooks (demographics only) and very basic Excel conversions are free. Please call for exact price and a list of what information we can save from your current system.

\$80.00 – Support Plan – The price of HearForm10 includes 90 days of free technical support. After the 3 month support has expired, support may be purchased on an as needed basis. A monthly support plan is not mandatory. The \$80 support fee covers eight 15 minute segments (2 Hours.) Support minutes do not expire until used. We round off minutes spent to your advantage.

\$90.00 – per hour customization fee – Example: Creation of custom forms within HearForm.
